* If you’d like to opt for French classes, please contact your admissions counsellor.

In order to be placed in the appropriate Arabic language class according to your level of competency, you need to either complete the questionnaire below or check the box that says you have had no prior Arabic instruction. Even if you have had no prior Arabic instruction, be sure to answer questions 7, 9 and 13. Please return the form to us with your confirmation materials.

I have never studied Arabic before: ☐

Questionnaire for students with Arabic language background:

The more information you share with us through this form about your Arabic background, the easier it will be to place you in the appropriate level. Note that students will also take a written and oral placement test during orientation in country.

If you studied Modern Standard Arabic (Fus’ha):

1) Where did you study Arabic Fus’ha and for how long? (Institution, country...)

2) When did you learn Arabic? Please specify the time period.
3) What were the teaching materials used? Please note all materials used.

4) What textbook (s) did you use?

5) What parts and chapters did you cover? Please be specific.

6) If you stopped studying Arabic: When did you stop?

If possible, provide us with a copy of the Arabic syllabus covered, or a description of it, and in which year it was used.

7) Will you be studying Arabic between now and the program start date? Yes ☐ No ☐

If yes, please provide us with a syllabus. If a syllabus is not available, please list the material that will be covered.

8) How would you evaluate your language skills? (poor, fair, good, excellent):

- Reading:
- Writing:
- Speaking:
- Comprehension:

If you studied colloquial Arabic:

10) Please specify what dialect?

When did you study it? (Years/months)

Where?

11) What were the materials used?

12) How would you evaluate your language skills? (poor, fair, good, excellent):

- Reading:
- Writing:
- Speaking:
- Comprehension:

If you studied both Fus'ha and colloquial Arabic

13) Which one do you feel more comfortable speaking? Why?

14) What are your expectations for this Arabic course? What would you like to achieve at the end of this course?
