Reference:

SIT Study Abroad is a rigorous interdisciplinary program that expects students to learn from both traditional and field-based academic methods and to synthesize these approaches. SIT Study Abroad asks for references from a professor at the college or university level. Students are involved in challenging cross-cultural situations, both in and out of the classroom. To succeed, the applicant must have a high degree of academic and personal motivation and the ability to adjust to people of different social and cultural backgrounds. We cannot overemphasize, therefore, the value of your candid appraisal in enabling us to determine whether the applicant is appropriate for this kind of program and, if so, to help him or her obtain the most from the experience. We will be happy to accept a letter in lieu of this form.

Please note: We accept students into programs on a rolling basis. Many programs fill to capacity before the deadline. A space cannot be reserved until all of a student's application materials are received. Since the candidate's application cannot be reviewed until we receive this form, please submit this form in a timely manner to the student or to SIT Study Abroad as indicated by the student above.
