

# Homestay Questionnaire

## Netherlands: International Perspectives on Sexuality and Gender

Name: \_\_\_\_\_

Due to a housing shortage, the often small-sized apartments, and the density of Amsterdam's population, finding hosts that meet SIT standards can be difficult. Your patience and flexibility will be called upon as we creatively search for hosts for everyone. Some of you may be sharing a homestay (though not a room!). It is very helpful for us to know how you feel about the following questions (check preference):

**1. I would be happy to share my homestay family with another student (I will have a room of my own!). Please check one:**

- Yes
- No

**2. Check one or both:**

- I am a family person
- I am pretty self-sufficient

**3. Check one:**

- I am a good cook. I love to cook
- I am a functional cook. I can manage my own meals, no problem
- I prefer not to cook

**4. Check all that apply:**

- I do not smoke, vape, or use e-cigarettes
- I smoke or use other tobacco products
- I vape or use other non-tobacco products

**5. Some homestays have pets. Please check one:**

- I love pets and I am not allergic to them. You may place me in a homestay with pets.
- I am allergic to pets / I don't like pets. Don't place me with pets.
- I am allergic to \_\_\_\_\_ but you can place me with other pets.

**6. Check all that apply and please add details\*:**

- I do not follow a diet and I have no food allergies.

**7. Many homestays in Amsterdam are single person homestays. Few homestays consist of parent(s) with children. Please check one:**

- I love children. If possible you may place me in a homestay with children.
- I prefer a homestay without children.
- I have no preference. Both options are fine with me.

**8. Comments/other things we need to know about you while preparing homestay:**

We will try to place you in the best possible situation. Do come with an open mind ☺.
