Republic of Chile

By completing this form, I affirm my understanding of the following points:

- SIT will send me supporting documents for my student visa application, which will be emailed during the 2 months before the new semester, allowing time for me to apply for and obtain my visa before the program start date. SIT cannot make special arrangements to accommodate students’ individual pre-program travel plans.
- Before the start of my SIT Chile program, I am responsible for obtaining a Chilean student visa.
- I know that I will have to travel to the consulate to pick up the visa. This might be in another state.
- I cannot participate in the program with just a tourist status in the country, or with any other category of visa.
- The individual Chilean consulates may change visa requirements and fees at any time. Before beginning the visa application process, I must verify the most current requirements and fees.
- Visas are issued at the sole discretion of the Chilean consulates in accordance with legislation and policies from the Chilean government. Most consulates will require an in-person appearance as part of the process.
- SIT is not affiliated with the central government of Chile and cannot waive students’ visa requirements.
- Following their first entry into Chile with this visa, local laws require that students register with Chilean immigration authorities. The on-site SIT program staff will assist with that registration process at the start of the semester. Students planning to travel early to Chile to pursue personal travels must not enter Chilean territory more than 15 days before the program begins, as arriving too early could cause legal complications with the in-country registration.
- Students without a US passport may be subject to additional or different requirements for obtaining a visa or meeting other conditions of entry into the country or countries listed above. Many countries require individuals to apply for visas in person at the relevant embassy or consulate located in their country of citizenship. We strongly recommend that you contact the embassy of each country the program will be traveling to very early in the process to confirm visa and/or entry requirements applicable to your country of citizenship and determine next steps while allowing plenty of time to apply. If the foreign consulate(s) permits non-US passport holders to apply for the required visa from within the United States, applicants are encouraged to contact Travisa Visa Services. As an experienced visa agent working closely with a number of SIT programs, Travisa may be able to assist you in your visa application process. A service discount is available by entering “SIT” as the corporate code in your Travisa online application. It is your responsibility to confirm and complete the visa application process particular to your situation, and to keep your admissions counselor informed.

Please return this form to:
SIT Study Abroad
PO Box 676
Brattleboro, VT 05302
Fax: (802) 258-3296
Email: studyabroad@sit.edu

If you have any questions, please contact your SIT Admissions Counselor:
1-888-272-7881
