

The background of the top half of the page is a photograph of ancient stone ruins in Jordan. Several tall, cylindrical columns stand against a bright orange and yellow sunset sky. The ruins are partially covered by dark, jagged rock formations. The overall tone is warm and historical.

## GENERAL FLIGHT INFORMATION

This document is designed to assist you in making your travel arrangements. An essential part of your preparation for studying abroad includes obtaining the proper travel documentation for your international stay. Please read this document carefully to determine if you need to take action *immediately* in preparation for travel.

You are responsible for booking your own travel to and from the program location. In addition, it is your responsibility to read and understand the terms and conditions for your airline ticket(s), to reconfirm your flight reservations in advance of the day of travel, and to be aware of airline and TSA regulations for baggage size and contents. SIT is not responsible for additional charges you may incur as a result of airline schedule changes or other travel-related reasons.

**Please note that due to the COVID-19 pandemic, information is subject to change based on shifting conditions in the US and Jordan. As you book your flights, we encourage you to purchase tickets on airlines with flexible cancellation and postponement policies.**

Each country has specific entry requirements due to the COVID-19 pandemic which may include providing proof of vaccine, a negative COVID-19 test prior to your travel or testing and/or quarantining upon arrival. SIT will provide updated COVID-19 related information prior to your travel as this information is constantly shifting and we would like to provide you with relevant accurate information closer to your travel date. Please read the Health Guidelines for this program for recommendations related to preventing the contraction and spread of COVID-19.

**Once you have finalized your travel arrangements, please log into your application portal and enter your itinerary information and any notes about your arrival in the *Travel Information* section of your application.** This will ensure that SIT staff knows when to expect you. Please submit your travel itinerary no later than 30 days prior to your program's start date.

## AIRLINE INFORMATION

We have been advised that the following airlines usually provide service to the meeting location for this program: Air France, Lufthansa, Emirates, Royal Jordanian. You can, of course, travel on any airline of your choice; however, please note that regardless of your transportation carrier, you are expected to be at your meeting location at the required time. **Please note that options may be limited due to Covid-19 air travel changes.**

No SIT Study Abroad staff will be able to assist you with any matter should you arrive before the program's commencement due to personal travel or for any other reason. Please note that medical insurance, provided to you through SIT Study Abroad for the duration of your program, is not in effect either before the program start date or after the program end date.

**Program Departure Date:**

**Departure Airport:**

Queen Alia International Airport

**Earliest Departure Time:**

It may be possible to remain in-country after the program ends. However, it is your responsibility to ensure your visa is renewed long enough for the time you wish to stay in Jordan; if you leave the country you will get a new one month single entry visa. You will also be responsible for your own accommodations and any other arrangements. As mentioned above, student medical insurance is not in force either before the program start date or after the program end date.

## PASSPORT INFORMATION

To participate in this program, you will need a signed **passport that is valid for at least six months after the end of the program**.

- If necessary, apply for a new passport or renewal immediately.
- **US Citizens:** consult US State Department information at [http://travel.state.gov/passport/passport\\_1738.html](http://travel.state.gov/passport/passport_1738.html) for passport processing times and application procedures.
- **Non-US Citizens:** contact your embassy or consulate.

You may need to expedite your passport application in order to meet visa application deadlines. Please check with your admissions counselor at [studyabroad@sit.edu](mailto:studyabroad@sit.edu) or (888) 272-7881 to discuss whether you should expedite your application.

## VISA INFORMATION

A visa is an official endorsement from a foreign government permitting entry into and travel within a particular country or region for a specified period of time. A visa may be glued or stamped directly into an applicant's passport or be on a separate paper or insert.

### Students with US passports:

For this program, students with US passports will purchase a single-entry visa upon arrival at Queen Alia International Airport. The visa is stamped inside the passport and is valid for one month from date of entry. Jordan regulations require US students to: 1) have a blood test for HIV and hepatitis in the Ministry of Health laboratories (**Note: if HIV positive, this person will be asked to leave the country**) and 2) register at the police station, where they will receive a two-month temporary residency. During the first 30 days in country, the program assistant will take care of the extension, including assisting with these requirements.

Further information about visa application processes will be sent by email from your admissions counselor.

### Students with non-US passports:

Students without a US passport may be subject to additional or different requirements for obtaining a visa or meeting other conditions of entry into the country or countries listed above. Many countries require individuals to apply for visas in person at the relevant embassy or consulate located in their country of citizenship. We strongly recommend that you contact the embassy of each country the program will be traveling to very early in the process to confirm visa and/or entry requirements applicable to your country of citizenship and determine next steps while allowing plenty of time to apply. If the foreign consulate permits non-US passport holders to apply for the required visa from within the United States, applicants are encouraged to contact Trivisa Visa Services. As an experienced visa agent working closely with a number of SIT programs, Trivisa may be able to assist you in your visa application process. A service discount is available by entering "SIT" as the corporate code in your Trivisa online application. It is your responsibility to confirm and complete the visa application process particular to your situation, and to keep your admissions counselor informed.

## GENERAL VISA AND PASSPORT NOTES FOR ALL PARTICIPANTS

- You are responsible for complying with all visa procedures and deadlines.
- Keep in mind that procedures and fees are subject to change at the discretion of the embassy or consulate with jurisdiction over your application. Students should double-check visa procedures prior to sending materials to ensure accuracy.
- Issuance of visas is at the sole discretion of the applicable consulate or embassy; SIT assumes no responsibility for the issuance or denial of any visa.
- Please make a copy of the first two pages of your passport (one of which has your photo), and give these photocopies to your academic director once you arrive.
- You may also need to bring a copy of your immunization record; please see the [Health Guidelines and Requirements](#) pre-departure document for more details.
- Students are responsible for their own passports. The program may hold passports for students when at the program site and when on excursion. Students should have passports on their person during ISP. Throughout the term, students should keep a copy of their passport and visa on their person at all times.
- If you are planning to travel to other countries before or after the program or your transit route involves connections in other countries, check with the embassies of those countries before you leave the US regarding visas, documents, and/or immunizations required. Please contact your admissions counselor as soon as possible to discuss the feasibility of your plans.
