GENERAL FLIGHT INFORMATION

This document is designed to assist you in making your travel arrangements. An essential part of your preparation for studying abroad includes obtaining the proper travel documentation for your international stay. Please read this document carefully to determine if you need to take action *immediately* in preparation for travel.

You are responsible for booking your own travel. You may need to show a copy of your return flight to the U.S. so be sure to have this with you as you go through immigration. In addition, it is your responsibility to read and understand the terms and conditions for your airline ticket(s), to reconfirm your flight reservations in advance of the day of travel, and to be aware of airline and TSA regulations for baggage size and contents. SIT is not responsible for additional charges you may incur as a result of airline schedule changes or other travel-related reasons.

Once you have finalized your travel arrangements, please log into your application portal and enter your itinerary information and any notes about your arrival in the *Travel Information* section of your application. This will ensure that SIT staff knows when to expect you. Please submit your travel itinerary no later than 30 days prior to your program's start date.

Please note that due to the COVID-19 pandemic, information is subject to change based on shifting conditions in the US and Mexico. As you book your flights, we encourage you to purchase tickets on airlines with flexible cancellation and postponement policies.

Each country has specific entry requirements due to the COVID-19 pandemic which may include providing proof of vaccine, a negative COVID-19 test prior to your travel or testing and/or quarantining upon arrival. SIT will provide updated COVID-19 related information prior to your travel as this information is constantly shifting and we would like to provide you with relevant accurate information closer to your travel date. Please read the Health Guidelines for this program for recommendations related to preventing the contraction and spread of COVID-19.

AIRLINE INFORMATION

We recommend booking a flight that connects directly to Oaxaca from the US such as flight AA3709 from Dallas (DFW) to Oaxaca (OAX). You can travel on any airline of your choice; however, please note that regardless of your transportation carrier, you are expected to be at your meeting location on the arrival date. **Options may be limited due to COVID-19 air travel changes. Avoid flying Volaris in Mexico, this airline often cancels flights and charges extra fees at will.**

NOTE: If you are unable to find suitable travel arrangements which will allow you to arrive at the specified date and time, please contact your admissions counselor as soon as possible—BEFORE you make any reservations.

ARRIVAL INFORMATION

You are expected to meet your group at the following date, time, and location:

Group Meeting Time: Students can arrive at any time on the arrival date but should fill out your itinerary information to let us know when to expect you at the airport.

Note: We recommend booking a flight that connects directly to Oaxaca from the US such as flight AA3709 from Dallas (DFW) to Oaxaca (OAX). If you end up having connecting flight in Mexico City, make sure your layover there is longer than 2 hours.

Arrival prior to the start of the program is NOT possible. No SIT Study Abroad staff will be able to assist you with any matter should you arrive before the program's commencement due to personal travel or for any other reason. Please note that medical insurance, provided to you through SIT Study Abroad for the duration of your program, is not in effect either before the program start date or after the program end date.

PASSPORT INFORMATION

To participate in this program, you will need a signed **passport that is valid for at least six months after the end of the program.**

- If necessary, apply for a new passport or renewal immediately.
- **US Citizens:** consult US State Department information at http://travel.state.gov/passport/passport_1738.html for passport processing times and application procedures.
- **Non-US Citizens:** contact your embassy or consulate.

You may need to expedite your passport application in order to meet visa application deadlines. Please check with your admissions counselor at studyabroad@sit.edu or (888) 272-7881 to discuss whether you should expedite your application.

VISA INFORMATION

A visa is an official endorsement from a foreign government permitting entry into and travel within a particular country or region for a specified period of time. A visa may be glued or stamped directly into an applicant's passport or be on a separate paper or insert.

Students with US passports:

For this program, students with US passports will obtain a tourist visa at the airport upon arrival in Mexico.

You will not need a student visa and should not request one because student visas are appropriate only for people formally enrolled in a Mexican university, which you are not. You may need to show a copy of your return flight to the U.S. so be sure to have this with you as you go through immigration. You will most likely receive a visa for 180 days.

When asked the purpose of your visit when passing through Immigration, be sure to say that you will be participating in “una excursión educativa con una escuela de Vermont (SIT) en los Estados Unidos.” Please avoid saying that you are a student, as that can cause confusion with Immigration officials.

Students with non-US passports:

Students without a US passport may be subject to additional or different requirements for obtaining a visa or meeting other conditions of entry into the country or countries listed above. Many countries require individuals to apply for visas in person at the relevant embassy or consulate located in their country of citizenship. We strongly recommend that you contact the embassy of each country the program will be traveling to very early in the process to confirm visa and/or entry requirements applicable to your country of citizenship and determine next steps while allowing plenty of time to apply. If the foreign consulate permits non-US passport holders to apply for the required visa from within the United States, applicants are encouraged to contact Travia Visa Services. As an experienced visa agent working closely with a number of SIT programs, Travia may be able to assist you in your visa application process. A service discount is available by entering “SIT” as the corporate code in your Travia online application. It is your responsibility to confirm and complete the visa application process particular to your situation, and to keep your admissions counselor informed.

GENERAL VISA AND PASSPORT NOTES FOR ALL PARTICIPANTS

- Keep in mind that procedures and fees are subject to change at the discretion of the embassy or consulate with jurisdiction over your application. Students should double-check visa procedures prior to sending materials to ensure accuracy.
