GENERAL FLIGHT INFORMATION

This document is designed to assist you in making your travel arrangements. An essential part of your preparation for studying abroad includes obtaining the proper travel documentation for your international stay. Please read this document carefully to determine if you need to take action *immediately* in preparation for travel.

You are responsible for booking your own travel to and from the program location. In addition, it is your responsibility to read and understand the terms and conditions for your airline ticket(s), to reconfirm your flight reservations in advance of the day of travel, and to be aware of airline and TSA regulations for baggage size and contents. SIT is not responsible for additional charges you may incur as a result of airline schedule changes or other travel-related reasons.

Please note that due to the COVID-19 pandemic, information is subject to change based on shifting conditions. As you book your flights, we encourage you to purchase tickets on airlines with flexible cancellation and postponement policies.

Each country has specific entry requirements due to the COVID-19 pandemic which may include providing proof of vaccine, a negative COVID-19 test prior to your travel or testing and/or quarantining upon arrival. SIT will provide updated COVID-19 related information prior to your travel as this information is constantly shifting and we would like to provide you with relevant accurate information closer to your travel date. Please read the Health Guidelines for this program for recommendations related to preventing the contraction and spread of COVID-19.

Once you have finalized your travel arrangements, please log into your application portal and enter your itinerary information and any notes about your arrival in the *Travel Information* section of your application. This will ensure that SIT staff knows when to expect you. Please submit your travel itinerary no later than 30 days prior to your program's start date.

NOTE: If you are unable to find suitable travel arrangements which will allow you to arrive at the specified date and time, please contact your admissions counselor as soon as possible – BEFORE you make any reservations.

VISA INFORMATION

A visa is an official endorsement from a foreign government permitting entry into and travel within a particular country or region for a specified period of time. A visa may be glued or stamped directly into an applicant's passport or be on a separate paper or insert.

Students with US passports:

For this program, students with US passports will be granted upon arrival a 90-day visitor's visa. Further information about the visitor's visa will be sent via e-mail by your admissions counselor.

Students with non-US passports:

Students without a US passport may be subject to additional or different requirements for obtaining a visa or meeting other conditions of entry into the country or countries listed above. Many countries require individuals to apply for visas in person at the relevant embassy or consulate located in their country of citizenship. We strongly recommend that you contact the embassy of each country the program will be traveling to very early in the process to confirm visa and/or entry requirements applicable to your country of citizenship and determine next steps while allowing plenty of time to apply. If the foreign consulate permits non-US passport holders to apply for the required visa from within the United States, applicants are encouraged to contact Travia Visa Services. As an experienced visa agent working closely with a number of SIT programs, Travia may be able to assist you in your visa application process. A service discount is available by entering "SIT" as the corporate code in your Travia online application. It is your responsibility to confirm and complete the visa application process particular to your situation, and to keep your admissions counselor informed.
