GENERAL FLIGHT INFORMATION

This document is designed to assist you in making your travel arrangements. An essential part of your preparation for studying abroad includes obtaining the proper travel documentation for your international stay. Please read this document carefully to determine if you need to take action *immediately* in preparation for travel.

You are responsible for booking your own travel to and from the program location. In addition, it is your responsibility to read and understand the terms and conditions for your airline ticket(s), to reconfirm your flight reservations in advance of the day of travel, and to be aware of airline and TSA regulations for baggage size and contents. SIT is not responsible for additional charges you may incur as a result of airline schedule changes or other travel-related reasons.

As you book your flights, we encourage you to purchase tickets on airlines with flexible cancellation and postponement policies.

Individual countries may have specific entry requirements related to COVID-19 (e.g., providing proof of vaccine, providing a negative COVID-19 test prior to travel or testing and/or quarantining upon arrival, etc.). Please stay up to date on airline and country specific regulations and refer to CDC guidelines related to preventing the contraction and spread of COVID-19.

Once you have finalized your travel arrangements, please log into your application portal and enter your itinerary information and any notes about your arrival in the *Travel Information* section of your application. This will ensure that SIT staff knows when to expect you. Please submit your travel itinerary no later than 30 days prior to your program's start date.

AIRLINE INFORMATION

We have been advised that the following airlines usually provide service to the meeting location for this program: Cathay Pacific, Singapore Airlines, China Airlines, Thai Airways.

You can, of course, travel on any airline of your choice; however, please note that regardless of your transportation carrier, you are expected to be at your meeting location at the required time.

ARRIVAL INFORMATION

You are expected to meet your group at the following date, time, and location:

Program Arrival Date: Sunday, June 2, 2024

Arrival Airport: Bali Ngurah Rai International, Denpasar, Bali (DPS)

Group Meeting Time: No later than 4pm

Group Meeting Location: Arrivals area, Ngurah Rai Airport

Group Will Be Met By: Academic Director and Program Staff

NOTE: If you are unable to find suitable travel arrangements which will allow you to arrive at the specified date and time, please contact your admissions counselor as soon as possible—BEFORE you make any reservations.

Arrival prior to the start of the program is NOT possible. Visas obtained prior to the commencement of the program may expire while in remote areas on excursion, making timely renewal impossible. No SIT Study Abroad staff will be able to assist you with any matter should you arrive before the program's commencement due to personal travel or for any other reason. Please note that medical insurance, provided to you through SIT Study Abroad for the duration of your program, is not in effect either before the program start date or after the program end date.

DEPARTURE INFORMATION

You are expected to plan your departure for the following date, time, and location:

Program Departure Date: Sunday, July 14, 2024

Departure Airport: Bali Ngurah Rai International, Denpasar, Bali (DPS)

Earliest Departure Time: anytime

It IS possible to remain in-country after the program ends. Please note that the program is no longer responsible for you after the end of the scheduled program. Students will of course be responsible for their own visa, insurance and travel arrangements after the program.

PASSPORT INFORMATION

To participate in this program, you will need a signed **passport that is valid for at least six months after the end of the program.**

- If necessary, apply for a new passport or renewal immediately.
- **US Citizens:** consult US State Department information at http://travel.state.gov/passport/passport_1738.html for passport processing times and application procedures.
- **Non-US Citizens:** contact your embassy or consulate.

You may need to expedite your passport application in order to meet visa application deadlines. Please check with your admissions counselor at studyabroad@sit.edu or (888) 272-7881 to discuss whether you should expedite your application.

VISA INFORMATION

A visa is an official endorsement from a foreign government permitting entry into and travel within a particular country or region for a specified period of time. A visa may be glued or stamped directly into an applicant's passport or be on a separate paper or insert.

Students with US passports:

For this program, students with US passports will receive a Visa on Arrival (30 day) for Indonesia that will be extendable for another 30 days.

Further information about visa application processes, if applicable, will be sent by e-mail from your admissions counselor in late April/early May. **DO NOT** apply for any visas until you receive this information.

Students with non-US passports:

Students who are not US citizens may be subject to additional or different requirements for obtaining a visa or meeting other conditions of entry into the country or countries listed above. Many countries require individuals to apply for visas in person at the relevant embassy or consulate located in their country of citizenship, which may complicate the visa application process. We strongly recommend that you contact the embassy of **Indonesia** very early in the process to confirm visa and/or entry requirements applicable to your country of citizenship and determine next steps while allowing plenty of time to apply. It is your responsibility to confirm and complete the visa application process particular to your situation, and to keep your admissions counselor informed.

GENERAL VISA AND PASSPORT NOTES FOR ALL PARTICIPANTS

- You are responsible for complying with all visa procedures and deadlines.
- Keep in mind that procedures and fees are subject to change at the discretion of the embassy or consulate with jurisdiction over your application. Students should double-check visa procedures prior to sending materials to ensure accuracy.
- Issuance of visas is at the sole discretion of the applicable consulate or embassy; SIT assumes no responsibility for the issuance or denial of any visa.
- Please make a copy of the first two pages of your passport (one of which has your photo) and give these photocopies to your academic director once you arrive.
- You may also need to bring your yellow WHO vaccination card or a copy of your immunization record; please see the [Safety, Security, and Health](#) pre-departure document for more details.
- Students are responsible for their own passports. The program may hold passports for students when at the program site and when on excursion. Throughout the term, students should keep a copy of their passport and visa on their person at all times.
- If you are planning to travel to other countries before or after the program or your transit route involves connections in other countries, check with the embassies of those countries before you leave the US regarding visas, documents, and/or immunizations required. Please contact your admissions counselor as soon as possible to discuss the feasibility of your plans.
