

A group of hikers is seen from behind as they ascend a wide, ancient stone staircase carved into a massive red sandstone cliff. The hikers are wearing various outdoor gear like hats, backpacks, and casual clothing. The scene is set in a rugged desert canyon with steep, layered rock walls and some sparse green shrubs. The lighting is bright, suggesting a sunny day.

- If necessary, apply for a new passport or renewal immediately.
- **US Citizens:** consult US State Department information at [http://travel.state.gov/passport/passport\\_1738.html](http://travel.state.gov/passport/passport_1738.html) for passport processing times and application procedures.
- **Non-US Citizens:** contact your embassy or consulate for your requirements.

## VISA INFORMATION

A visa is an official endorsement from a foreign government permitting entry into and travel within a particular country or region for a specified period of time. A visa may be glued or stamped directly into an applicant's passport or be on a separate paper or insert.

### Students with US passports:

For this program, students with US passports will need a tourist visa, which you will get upon arrival. The process of obtaining the tourist visa is simple, and you don't even need to fill out a landing card. The cost is **40JD** (approximately US \$60). The visa is stamped inside the passport and is valid for **one month** from date of entry.

If needed for travel after the program, staff will take students to the police station to extend their visas.

### Students with non-US passports:

Students without a US passport may be subject to additional or different requirements for obtaining a visa or meeting other conditions of entry into the country listed above. Students hailing from the **United Kingdom, France, Germany, Australia, Canada, Spain, and Italy** will follow the steps listed to the left for students with US passports. Many countries require individuals to apply for visas in person at the relevant embassy or consulate located in their country of citizenship. We strongly recommend that you contact the embassy of each country the program will be traveling to very early in the process to confirm visa and/or entry requirements applicable to your country of citizenship and determine next steps while allowing plenty of time to apply. If the foreign consulate permits non-US passport holders to apply for the required visa from within the United States, applicants are encouraged to contact Trivisa Visa Services. As an experienced visa agent working closely with a number of SIT programs, Trivisa may be able to assist you in your visa application process. A service discount is available by entering "SIT" as the corporate code in your Trivisa online application. It is your responsibility to confirm and complete the visa application process particular to your situation, and to keep your admissions counselor informed.
