Summer 2024

GENERAL FLIGHT INFORMATION

This document is designed to assist you in making your travel arrangements. An essential part of your preparation for studying abroad includes obtaining the proper travel documentation for your international stay. Please read this document carefully to determine if you need to take action *immediately* in preparation for travel.

You are responsible for booking your own travel to and from the program location. In addition, it is your responsibility to read and understand the terms and conditions for your airline ticket(s), to reconfirm your flight reservations in advance of the day of travel, and to be aware of airline and TSA regulations for baggage size and contents. SIT is not responsible for additional charges you may incur as a result of airline schedule changes or other travel-related reasons.

Individual countries may have specific entry requirements related to COVID-19 (e.g., providing proof of vaccine, providing a negative COVID-19 test prior to travel or testing and/or quarantining upon arrival, etc.). Please stay up to date on airline and country specific regulations and refer to CDC guidelines related to preventing the contraction and spread of COVID-19.

Once you have finalized your travel arrangements, please log into your application portal and enter your itinerary information and any notes about your arrival in the *Travel Information* section of your application. This will ensure that SIT staff knows when to expect you. Please submit your travel itinerary no later than 30 days prior to your program's start date.

AIRLINE INFORMATION

We have been advised that the following airlines usually provide service to the meeting location for this program: Air Arabia, Air Asia X, Air China, Air India, Biman Bangladesh, Bhutan Airlines, China Eastern, China Southern, Druk Air, Ethihad Airways, Flydubai, Himalaya Airlines, IndiaGo, Jet Airways, Korean Air, Malaysia Airlines, Malindo Air, Nepal Airlines, Oman Air, Qatar Airways, Silk Air, Thai Airways, and US Bangla.

You can, of course, travel on any airline of your choice; however, please note that regardless of your transportation carrier, you are expected to be at your meeting location at the required time.

ARRIVAL INFORMATION

You are expected to meet your group at the following date, time, and location:

Program Arrival Date: Sunday, June 2, 2024

Arrival Airport: Tribhuvan International Airport

Group Meeting Times: We will endeavor to pick you up as you arrive in but at least there will be meeting times of 9 am, 3 pm, and 9 pm.

Group will be met by: Program Staff with SIT Study Abroad sign

Group Meeting Location: Outside the exit from customs.

Notes: You should plan to have US\$125 in cash and two passport pictures ready on arrival in Kathmandu to obtain a 90-day tourist visa. Make sure to have these in your carry-on luggage, not in your checked bag.

NOTE: If you are unable to find suitable travel arrangements which will allow you to arrive at the specified date and time, please contact your admissions counselor as soon as possible—BEFORE you make any reservations.

Arrival to the program office prior to the start of the program is NOT possible. No SIT Study Abroad staff will be able to assist you with any matter should you arrive before the program's commencement, due to personal travel or for any other reason. Please note that medical insurance, provided to you through SIT Study Abroad for the duration of your program, is not in force either before the program start date or after the program end date.

DEPARTURE INFORMATION

You are expected to plan your departure for the following date, time, and location:

Program Departure Date: Sunday, July 21, 2024

Departure Airport: Tribhuvan International Airport

Earliest Departure Time: 6 am

It is possible to remain in-country after the program ends. Please note that your visa for Nepal will either allow you to stay in-country, or it can be easily renewed, following the program's conclusion, if you so desire. However, after the program end date, you will be responsible for your own visa, accommodations, food, medical insurance, and all other arrangements. As mentioned above, student medical insurance is not in force either before the program start date or after the program end date. That said, if cultural/historical sightseeing is particularly important to you, previous students have suggested staying in the country beyond the time of the program. During the program, several days are devoted to or available for this, but it is not, for example, possible to include many of the major tourist sites in the Kathmandu Valley within the scope of the program.

PASSPORT INFORMATION

To participate in this program, you will need a signed **passport that is valid for at least six months after the end of the program.**

- If necessary, apply for a new passport or renewal immediately.
- **US Citizens:** consult US State Department information at http://travel.state.gov/passport/passport_1738.html for passport processing times and application procedures.
- **Non-US Citizens:** contact your embassy or consulate.

You may need to expedite your passport application in order to meet visa application deadlines. Please check with your admissions counselor at studyabroad@sit.edu or (888) 272-7881 to discuss whether you should expedite your application.

VISA INFORMATION

A visa is an official endorsement from a foreign government permitting entry into and travel within a particular country or region for a specified period of time. A visa may be glued or stamped directly into an applicant's passport or be on a separate paper or insert.

Students with US passports:

For this program, students with US passports will need a 90-day tourist visa on arrival (\$125 cash). Students will also need two passport pictures.

Further information about visa application processes, if applicable, will be sent by e-mail from your admissions counselor in late April. **DO NOT** apply for any visas until you receive this information.

Students with non-US passports:

Students without a US passport may be subject to additional or different requirements for obtaining a visa or meeting other conditions of entry into the country or countries listed above. Many countries require individuals to apply for visas in person at the relevant embassy or consulate located in their country of citizenship. We strongly recommend that you contact the embassy of each country the program will be traveling to very early in the process to confirm visa and/or entry requirements applicable to your country of citizenship and determine next steps while allowing plenty of time to apply. If the foreign consulate permits non-US passport holders to apply for the required visa from within the United States, applicants are encouraged to contact Travia Visa Services. As an experienced visa agent working closely with a number of SIT programs, Travia may be able to assist you in your visa application process. A service discount is available by entering "SIT" as the corporate code in your Travia online application. It is your responsibility to confirm and complete the visa application process particular to your situation, and to keep your admissions counselor informed.

GENERAL VISA AND PASSPORT NOTES FOR ALL PARTICIPANTS
