GENERAL FLIGHT INFORMATION

This document is designed to assist you in making your travel arrangements. An essential part of your preparation for studying abroad includes obtaining the proper travel documentation for your international stay. Please read this document carefully to determine if you need to take action *immediately* in preparation for travel.

You are responsible for booking your own travel to and from the program location. In addition, it is your responsibility to read and understand the terms and conditions for your airline ticket(s), to reconfirm your flight reservations in advance of the day of travel, and to be aware of airline and TSA regulations for baggage size and contents. SIT is not responsible for additional charges you may incur as a result of airline schedule changes or other travel-related reasons.

Individual countries may have specific entry requirements related to COVID-19 (e.g., providing proof of vaccine, providing a negative COVID-19 test prior to travel or testing and/or quarantining upon arrival, etc.). Please stay up to date on airline and country specific regulations and refer to CDC guidelines related to preventing the contraction and spread of COVID-19.

Once you have finalized your travel arrangements, please log into your application portal and enter your itinerary information and any notes about your arrival in the *Travel Information* section of your application. This will ensure that SIT staff knows when to expect you. Please submit your travel itinerary no later than 30 days prior to your program's start date.

AIRLINE INFORMATION

We have been advised that the following airlines usually provide service to the meeting location for this program: United Airlines, American Airlines, Delta Airlines, Cathay Pacific, ANA, EVA Airline, Southern China Airline, Emirates and Singapore Airlines and others.

You can, of course, travel on any airline of your choice; however, please note that regardless of your transportation carrier, you are expected to be at your meeting location at the required time.

SIT recommends that students purchase a round-trip itinerary into and out of the host country. When you first arrive and pass thru customs and immigration, officials may request that you show proof that you have confirmed plans to depart their country at a designated time in the future. In addition, booking a round-trip ticket will likely be more affordable than purchasing two separate one-way itineraries. Even if you later decide to change your return flight, the fees for making that change will oftentimes still amount to less than the overall price of two separate tickets. If you believe that you will want to travel independently after your SIT Study Abroad program has concluded, we recommend that you estimate the approximate amount of extra time you will need and then book your flights accordingly.

PASSPORT INFORMATION

To participate in this program, you will need a signed **passport that is valid for at least six months after the end of the program.**

- If necessary, apply for a new passport or renewal immediately.
- **US Citizens:** consult US State Department information at http://travel.state.gov/passport/passport_1738.html for passport processing times and application procedures.
- **Non-US Citizens:** contact your embassy or consulate.

You may need to expedite your passport application in order to meet visa application deadlines. Please check with your admissions counselor at studyabroad@sit.edu or (888) 272-7881 to discuss whether you should expedite your application.

VISA INFORMATION

A visa is an official endorsement from a foreign government permitting entry into and travel within a particular country or region for a specified period of time. A visa may be glued or stamped directly into an applicant's passport or be on a separate paper or insert.

Students with US passports:

For this program, students with US passports will need a ***student visa for Vietnam***. Processing time for this visa is around *three weeks*.

Further information about visa application processes, if applicable, will be sent by e-mail from your admissions counselor in *mid-June* for fall semesters and *mid-end November* for spring semesters. **DO NOT** apply for any visas until you receive this information.

Students with non-US passports:

Students without a US passport may be subject to additional or different requirements for obtaining a visa or meeting other conditions of entry into the country or countries listed above. Many countries require individuals to apply for visas in person at the relevant embassy or consulate located in their country of citizenship. We strongly recommend that you contact the embassy of each country the program will be traveling to very early in the process to confirm visa and/or entry requirements applicable to your country of citizenship and determine next steps while allowing plenty of time to apply. If the foreign consulate permits non-US passport holders to apply for the required visa from within the United States, applicants are encouraged to contact Travia Visa Services. As an experienced visa agent working closely with a number of SIT programs, Travia may be able to assist you in your visa application process. A service discount is available by entering "SIT" as the corporate code in your Travia online application. It is your responsibility to confirm and complete the visa application process particular to your situation, and to keep your admissions counselor informed.
