### Flight, Passport & Visa Information Spring 2025

#### GENERAL FLIGHT INFORMATION

This document is designed to assist you in making your travel arrangements. An essential part of your preparation for studying abroad includes obtaining the proper travel documentation for your international stay. Please read this document carefully to determine if you need to take immediate action in preparation for travel.

#### INDIVIDUAL TRAVEL

You are logistically and financially responsible for booking your own travel to our program launch in **Washington DC, USA**. You are logistically and financially responsible for your travel home at the end of the program from **Buenos Aires, Argentina**.

For your individual travel, it is your responsibility to read and understand the terms and conditions for your transit ticket(s), to reconfirm your reservations in advance of the day of travel, and to be aware of transit (i.e., flight and TSA) regulations for baggage size and contents. SIT is not responsible for additional charges you may incur as a result of schedule changes or other travel-related circumstances associated with your individual travel.

**Once you have finalized your travel arrangements to the United States Launch location, please log into your application portal and enter your itinerary information and any notes about your arrival in the *Travel Information* section of your application.** This will ensure that SIT staff knows when to expect you. Your return flight home at the end of the semester may be booked later but must be booked before you arrive in **Argentina**, the final country. This is because when you arrive and pass through customs and immigration, officials may request that you show proof that you have confirmed plans to depart their country at a designated time in the future.

As you book your flights, we encourage you to purchase tickets on airlines with flexible cancellation and postponement policies.

## GROUP FLIGHTS

SIT will book you and all students on international group flights from the launch location to the final program country. You are responsible for arranging your flight home from the final program location at the end of the semester: **Buenos Aires, Argentina**.

**Your responsibilities:** You are responsible for

- being at airports or other designated departure points for group flights on time
- any costs associated with flights missed due to student fault
- to read and understand the terms and conditions for your airline tickets,
- to reconfirm your flight reservations in advance of the day of travel
- to be aware of airline and TSA regulations for baggage size and content
- any costs associated with excess baggage.
- obtaining any required transit visa(s) for any layover(s)

You will receive the group flight itinerary in a separate email from your admissions counselor.

## IN-FLIGHT MEALS

If you have any allergies, please alert your admissions counselor as soon as possible. Please be cautious and bring your own safe food if you are concerned about the food on the airplane as airlines sometimes fail to meet our meal requests. You may want to bring disinfectant wipes and clean your seat area as a precaution. Airlines do not have any control of what foods other travelers bring onto the plane. The airlines may not serve any peanuts or shellfish products; however, other passengers may bring these products on board.

You are responsible to inform each airline and flight of any dietary needs you may have. We suggest you do so at least a week prior to departure as airline meals cannot be preordered after 48 hours prior to departure

**Please note that information is subject to change based on shifting conditions in the US, India, South Africa and Argentina.**

## PASSPORT INFORMATION

To participate in this program, you will need a signed **passport that is valid for at least six months after the end of the program.**

- If necessary, apply for a new passport or renewal immediately.
- **US Citizens:** consult US State Department information at [http://travel.state.gov/passport/passport\\_1738.html](http://travel.state.gov/passport/passport_1738.html) for passport processing times and application procedures.
- **Non-US Citizens:** contact your embassy or consulate.

Students are responsible for their own passports. Please make a copy of the first two pages of your passport (one of which has your photo), and your visa (if applicable), and store it in a separate location than your passport. Throughout the term, students should always keep a copy of their passport and visa on their person.

You may need to expedite your passport application in order to meet visa application deadlines. Please check with your admissions counselor at [studyabroad@sit.edu](mailto:studyabroad@sit.edu) or (888) 272-7881 to discuss whether you should expedite your application.

## VISA INFORMATION

A visa is an official endorsement from a foreign government permitting entry into and travel within a particular country or region for a specified period of time. A visa may be glued or stamped directly into an applicant's passport or be on a separate paper or insert.

You are responsible for complying with all visa procedures and deadlines. Keep in mind that procedures and fees are subject to change at the discretion of the embassy or consulate with jurisdiction over your application. Students should double-check visa procedures. Issuance of visas is at the sole discretion of the applicable consulate or embassy and SIT assumes no responsibility for the issuance or denial of any visa.

### Students with US passports:

Further information about visa application processes, if applicable, will be sent by e-mail from your admissions counselor. DO NOT apply for any visas until you receive this information. Passports must be valid for at least six months past the end of the program.

### India

U.S. citizens seeking to enter India solely for tourist purposes for stays of less than 60 days may apply for an eVisa at least four days prior to their arrival. Please visit the [Indian government's website for electronic travel authorization](#) for additional information and to submit an application. Note that a 30 day visa will not be acceptable as the program spends more time in India. The cost of the eVisa is \$43.00 USD.

### South Africa

US passport holders do not need a visa for visits of up to 90 days for tourism. Two Consecutive Blank Visa Pages: South Africa requires travelers to have two consecutive completely blank visa pages in their passports upon every arrival in South Africa. YOU WILL BE DENIED ENTRY if you do not have two consecutive blank visa pages in your passport. This does not include the endorsement pages.

## Argentina

US passport holders do not need a visa for visits of up to 90 days for tourism.

### Students with non-US passports:

Students without a US passport may be subject to additional or different requirements for obtaining a visa or meeting other conditions of entry into the country or countries listed above. **It is essential that non-US passport holders conduct visa research immediately upon admission**

Many countries require individuals to apply for visas in person at the relevant embassy or consulate located in their country of citizenship. We strongly recommend that you contact the embassy of each country the program will be traveling to very early in the process to confirm visa and/or entry requirements applicable to your country of citizenship and determine next steps while allowing plenty of time to apply.

If the foreign consulate permits non-US passport holders to apply for the required visa from within the United States, applicants are encouraged to contact Trivisa Visa Services. As an experienced visa agent working closely with a number of SIT programs, Trivisa may be able to assist you in your visa application process. A service discount is available by entering "SIT" as the corporate code in your Trivisa online application.

It is your responsibility to confirm and complete the visa application process particular to your situation, and to keep your admissions counselor informed.

### SPECIAL VISA AND PASSPORT NOTES FOR ALL STUDENTS

- Enrollment may be withdrawn, and participation will not be allowed if all required visas are not obtained prior to arriving at the program launch city.
- You may also need to bring your yellow WHO vaccination card or a copy of your immunization record; please see the Safety, Security, and Health pre-departure document for more details.
- If you are planning to travel to other countries before or after the program or your transit route involves connections in other countries, check with the embassies of those countries before you leave the US regarding visas, documents, and/or immunizations required. Please contact your admissions counselor as soon as possible to discuss the feasibility of your plans.
