Flight, Passport & Visa Information
Spring 2025

GENERAL FLIGHT INFORMATION

This document is designed to assist you in making your travel arrangements. An essential part of your preparation for studying abroad includes obtaining the proper travel documentation for your international stay. Please read this document carefully to determine if you need to take immediate action in preparation for travel.

You are responsible for booking your own travel to and from the program location. In addition, it is your responsibility to read and understand the terms and conditions for your airline ticket(s), to reconfirm your flight reservations in advance of the day of travel, and to be aware of airline and TSA regulations for baggage size and contents. SIT is not responsible for additional charges you may incur as a result of airline schedule changes or other travel-related reasons.

Once you have finalized your travel arrangements, please log into your application portal and enter your itinerary information and any notes about your arrival in the *Travel Information* section of your application. This will ensure that SIT staff knows when to expect you. Please submit your travel itinerary no later than 30 days prior to your program's start date. Please confirm submitting your travel details in writing with your Admissions Counselor. Your space on the program is not guaranteed if you neglect to enter your travel details into the application portal.

As you book your flights, we encourage you to purchase tickets on airlines with flexible cancellation and postponement policies.

AIRLINE INFORMATION

We have been advised that the following airlines usually provide service to the meeting location for this program: Air France, Swiss Airlines, Austrian Airlines, British Airways, and Air Serbia. We recommend

School for International Training

not booking your ticket with Lufthansa, due to some strict immigration rules they have with return tickets that are more than 90 days from the arrival date.

You can, of course, travel on any airline of your choice; however, please note that regardless of your transportation carrier, you are expected to be at your meeting location at the required time.

If you are planning to travel to other countries before or after the program or your transit route involves connections in other countries, check with the embassies of those countries before you leave the US regarding visas, documents, and/or immunizations required. Please contact your admissions counselor as soon as possible to discuss the feasibility of your plans.

SIT recommends that students purchase a round-trip itinerary into and out of the host country. When you first arrive and pass through customs and immigration, officials may request that you show proof that you have confirmed plans to depart their country at a designated time in the future. In addition, booking a round-trip ticket will likely be more affordable than purchasing two separate one-way itineraries. Even if you later decide to change your return flight, the fees for making that change will oftentimes still amount to less than the overall price of two separate tickets. If you believe that you will want to travel independently after your SIT Study Abroad program has concluded, we recommend that you estimate the approximate amount of extra time you will need and then book your flights accordingly.

PASSPORT INFORMATION

To participate in this program, you will need a signed **passport that is valid for at least six months after the end of the program.**

- If necessary, apply for a new passport or renewal immediately.
- **US Citizens:** consult US State Department information at http://travel.state.gov/passport/passport_1738.html for passport processing times and application procedures.
- **Non-US Citizens:** contact your embassy or consulate.

Students are responsible for their own passports. Please make a copy of the first two pages of your passport (one of which has your photo), and your visa (if applicable), and store in a separate location than your passport. Throughout the term, students should always keep a copy of their passport and visa on their person.

You may need to expedite your passport application in order to meet visa application deadlines. Please check with your admissions counselor at studyabroad@sit.edu or (888) 272-7881 to discuss whether you should expedite your application.

VISA INFORMATION

A visa is an official endorsement from a foreign government permitting entry into and travel within a

particular country or region for a specified period of time. A visa may be glued or stamped directly into an applicant's passport or be on a separate paper or insert.

You are responsible for complying with all visa procedures and deadlines. Keep in mind that procedures and fees are subject to change at the discretion of the embassy or consulate with jurisdiction over your application. Students should double-check visa procedures. Issuance of visas is at the sole discretion of the applicable consulate or embassy; SIT assumes no responsibility for the issuance or denial of any visa.

Students with US passports:

For this program, students with US passports will apply for a **temporary resident visa** after arrival to Serbia. Students will not be obtaining a visa **before** arrival in country. A couple of weeks before the program begins, students will receive an **Immigration Letter** from their admissions counselor via email. This should be carried in the student's carry-on to produce for airline or immigration officials as proof of the purpose of stay. After landing, students will receive an entry stamp in their passports. The temporary resident visa application process will be handled later during the semester, as the local law requires applicants to be already present in the country. Students will receive information from their admissions counselor about the requirements for the temporary resident visa. **You should expect to pay about \$300 for your temporary resident visa (price may vary as updated by local authorities).** Further information about visa application processes, if applicable, will be sent by e-mail from your admissions counselor. **DO NOT** apply for any visas until you receive this information.

Students with non-US passports:

Students without a US passport may be subject to additional or different requirements for obtaining a visa or meeting other conditions of entry into the country or countries listed above. Given the program travel to two EU member state countries (Hungary and Austria), students whose citizenship require a visa to the EU, will need to arrive in Serbia with a valid Schengen visa. Many countries require individuals to apply for visas in person at the relevant embassy or consulate located in their country of citizenship. We strongly recommend that you contact the embassy of each country the program will be traveling to very early in the process to confirm visa and/or entry requirements applicable to your country of citizenship and determine next steps while allowing plenty of time to apply. If the foreign consulate permits non-US passport holders to apply for the required visa from within the United States, applicants are encouraged to contact Trivisa Visa Services. As an experienced visa agent working closely with a number of SIT programs, Trivisa may be able to assist you in your visa application process. A service discount is available by entering "SIT" as the corporate code in your Trivisa online application. It is your responsibility to confirm and complete the visa application process particular to your situation, and to keep your admissions counselor informed.
