## Flight, Passport & Visa Information

Spring 2025

### GENERAL FLIGHT INFORMATION

This document is designed to assist you in making your travel arrangements. An essential part of your preparation for studying abroad includes obtaining the proper travel documentation for your international stay. Please read this document carefully to determine if you need to take immediate action in preparation for travel.

You are responsible for booking your own travel to and from the program location. In addition, it is your responsibility to read and understand the terms and conditions for your airline ticket(s), to reconfirm your flight reservations in advance of the day of travel, and to be aware of airline and TSA regulations for baggage size and contents. SIT is not responsible for additional charges you may incur as a result of airline schedule changes or other travel-related reasons.

**Once you have finalized your travel arrangements, please log into your application portal and enter your itinerary information and any notes about your arrival in the *Travel Information* section of your application.** This will ensure that SIT staff knows when to expect you. Please submit your travel itinerary no later than 30 days prior to your program's start date. Please confirm submitting your travel details in writing with your Admissions Counselor. Your space on the program is not guaranteed if you neglect to enter your travel details into the application portal.

As you book your flights, we encourage you to purchase tickets on airlines with flexible cancellation and postponement policies.

### AIRLINE INFORMATION

We have been advised that the following airlines usually provide service to the meeting location for this program: SN Brussels; KLM/Delta; Qatar Airline/Rwandair; Turkish Airlines.

You can, of course, travel on any airline of your choice; however, please note that regardless of your transportation carrier, you are expected to be at your meeting location at the required time.

If you are planning to travel to other countries before or after the program or your transit route involves connections in other countries, check with the embassies of those countries before you leave the US regarding visas, documents, and/or immunizations required. Please contact your admissions counselor as soon as possible to discuss the feasibility of your plans.

SIT recommends that students purchase a round-trip itinerary into and out of the host country. When you first arrive and pass through customs and immigration, officials may request that you show proof that you have confirmed plans to depart their country at a designated time in the future. In addition, booking a round-trip ticket will likely be more affordable than purchasing two separate one-way itineraries. Even if you later decide to change your return flight, the fees for making that change will oftentimes still amount to less than the overall price of two separate tickets. If you believe that you will want to travel independently after your SIT Study Abroad program has concluded, we recommend that you estimate the approximate amount of extra time you will need and then book your flights accordingly.

### PASSPORT INFORMATION

To participate in this program, you will need a signed **passport that is valid for at least six months after the end of the program.**

- If necessary, apply for a new passport or renewal immediately.
- **US Citizens:** consult US State Department information at [http://travel.state.gov/passport/passport\\_1738.html](http://travel.state.gov/passport/passport_1738.html) for passport processing times and application procedures.
- **Non-US Citizens:** contact your embassy or consulate.

Students are responsible for their own passports. Please make a copy of the first two pages of your passport (one of which has your photo), and your visa (if applicable), and store in a separate location than your passport. Throughout the term, students should always keep a copy of their passport and visa on their person.

You may need to expedite your passport application in order to meet visa application deadlines. Please check with your admissions counselor at [studyabroad@sit.edu](mailto:studyabroad@sit.edu) or (888) 272-7881 to discuss whether you should expedite your application.

### VISA INFORMATION

A visa is an official endorsement from a foreign government permitting entry into and travel within a particular country or region for a specified period of time. A visa may be glued or stamped directly into an applicant's passport or be on a separate paper or insert.

You are responsible for complying with all visa procedures and deadlines. Keep in mind that procedures and fees are subject to change at the discretion of the embassy or consulate with jurisdiction over your application. Students should double-check visa procedures. Issuance of visas is

at the sole discretion of the applicable consulate or embassy; SIT assumes no responsibility for the issuance or denial of any visa.

**All passport holders:**

For this program students will not need to secure a visa for Rwanda prior to departure. Visas are issued on arrival for citizens of all countries upon payment of 50 US dollars and this will be valid for 30 days after which you need to get a student permit. The in-country program staff will help facilitate the application process for the student permit.

Further information about visa application processes, if applicable, will be sent by e-mail from your admissions counselor.
