USA – Ghana - Mexico - Indonesia: IHP Death & Dying: Perspectives, Practices & Policies

Flight, Passport & Visa Information

Spring 2027

GENERAL FLIGHT INFORMATION

This document is designed to assist you in making your travel arrangements. An essential part of your preparation for studying abroad includes obtaining the proper travel documentation for your international stay. Please read this document carefully to determine if you need to take immediate action in preparation for travel.

INDIVIDUAL TRAVEL

You are logistically and financially responsible for booking your own travel to our program launch in **New York City, USA.** You are logistically and financially responsible for your travel home at the end of the program from **Bali, Indonesia.**

For your individual travel, it is your responsibility to read and understand the terms and conditions for your transit ticket(s), to reconfirm your reservations in advance of the day of travel, and to be aware of transit (i.e., flight and TSA) regulations for baggage size and contents. SIT is not responsible for additional charges you may incur as a result of schedule changes or other travel-related circumstances associated with your individual travel.

Once you have finalized your travel arrangements to the United States Launch location, please log into your application portal and enter your itinerary information and any notes about your arrival in the *Travel Information* section of your application. This will ensure that SIT staff knows when to expect you. Please submit your travel itinerary no later than 30 days prior to your program's start date. Please confirm submitting your travel details in writing with your Admissions Counselor. Your space on the program is not guaranteed if you neglect to enter your travel details into the application portal.

Your return flight home at the end of the semester may be booked later but must be booked before you arrive in **Indonesia**, the final country. This is because when you arrive and pass through customs and immigration, officials may request that you show proof that you have confirmed plans to depart their country at a designated time in the future.

As you book your flights, we encourage you to purchase tickets on airlines with flexible cancellation and postponement policies.

GROUP FLIGHTS

SIT will book you and all students on international group flights from the launch location to the final program country. SIT also includes one checked bag for all flights arranged within the program. You are responsible for costs of any additional baggage fees and for arranging your flight home from the final program location at the end of the semester: **Bali, Indonesia.**

Your responsibilities: You are responsible for

- being at airports or other designated departure points for group flights on time
- any costs associated with flights missed due to student fault
- to read and understand the terms and conditions for your airline tickets,
- to reconfirm your flight reservations in advance of the day of travel, if required
- to be aware of airline and TSA regulations for baggage size and content
- any costs associated with excess baggage, a second checked bag, etc.
- obtaining any required transit visa(s) for any layover(s)

You will receive the group flight itinerary in a separate email from your admissions counselor.

IMPORTANT INFORMATION ON BAGGAGE

SIT strongly recommends students bring only one checked bag. SIT will not cover the cost of a second checked bag.

- A second checked bag is usually very expensive and costs vary by airline.
- Students are responsible for all costs associated with baggage beyond what is included for each flight.
- SIT often books group tickets and it is not always possible to pay in advance for a second bag. Paying at the airport during check-in is often more expensive.
- Apart from the costs, it can be very difficult to manage two checked bags throughout your travels and can slow down the group during transits to new locations.
- SIT vans have limited space and may have difficulty accommodating extra baggage.

IN-FLIGHT MEALS

If you have any food allergies or special dietary restrictions, please alert your admissions counselor as soon as possible. Please be cautious and bring your own safe food if you are concerned about the food on the airplane as airlines sometimes fail to meet our meal requests. You may want to bring disinfectant wipes and clean your seat area as a precaution. Airlines do not have any control of what foods other travelers bring onto the plane. The airlines may not serve any peanuts or shellfish products; however, other passengers may bring these products on board.

Please note that information is subject to change based on shifting conditions in the US, Ghana, Mexico and Indonesia.

PASSPORT INFORMATION

To participate in this program, you will need a signed **passport that is valid for at least six months after the end of the program**.

- If necessary, apply for a new passport or renewal immediately.
- **US Citizens:** consult US State Department information at http://travel.state.gov/passport/passport_1738.html for passport processing times and application procedures.
- **Non-US Citizens:** contact your embassy or consulate.

Students are responsible for their own passports. Please make a copy of the first two pages of your passport (one of which has your photo), and your visa (if applicable), and store it in a separate location than your passport. Throughout the term, students should always keep a copy of their passport and visa on their person.

You may need to expedite your passport application in order to meet visa application deadlines. Please check with your admissions counselor at studyabroad@sit.edu or (888) 272-7881 to discuss whether you should expedite your application.

VISA INFORMATION

A visa is an official endorsement from a foreign government permitting entry into and travel within a particular country or region for a specified period of time. A visa may be glued or stamped directly into an applicant's passport or be on a separate paper or insert.

You are responsible for complying with all visa procedures and deadlines. Keep in mind that procedures and fees are subject to change at the discretion of the embassy or consulate with jurisdiction over your application. Students should double-check visa procedures. Issuance of visas is at the sole discretion of the applicable consulate or embassy and SIT assumes no responsibility for the issuance or denial of any visa.

Students with US passports:

Further information about visa application processes, if applicable, will be sent by e-mail from your admissions counselor. DO NOT apply for any visas until you receive this information. Passports must be valid for at least six months past the end of the program.

Ghana

U.S. citizens need to apply for visa on-line prior to travel. There are two options in applying for a Ghanian visa: eVisa or mail-in-service. The Ghana eVisa is more expensive but recommended due to speedy and reliable processing. Students may apply for an eVisa here: Ghana eVisa - Official Electronic Visa Application Portal

Students may also use the less expensive but more lengthy mail-in-service to the NY embassy. Please go to Ghanian Embassy (NY) website here: Visa Application | Ghana Consulate General New York .

You will need proof of yellow fever vaccine for Ghana. You will receive Visa Introduction Letter from SIT Admissions and instructions. Please fill out your Visa application carefully as there often isn't time to sort out mistakes with the lengthy bureaucratic process. Students will be responsible for having a visa in hand by the time they arrive for the program launch in New York City.

Mexico
US passport holders **do not need** a visa for visits of up to 180 days for tourism

Indonesia
Students with a U.S. passport will apply for a 60-day C1 visa with the help of SIT Program staff at the New York City Launch. Students will send a photocopy of their passport identification page with signature (no hands visible) and an informal digital headshot to the Program Director. The SIT Program Center in Bali will sponsor the students' visits.

Students with non-US passports:

We strongly recommend that you contact the embassy of each country the program will be traveling to very early in the process to confirm visa and/or entry requirements applicable to your country of citizenship and determine next steps while allowing plenty of time to apply.

It is your responsibility to confirm and complete the visa application process particular to your situation, and to keep your admissions counselor informed

SPECIAL VISA AND PASSPORT NOTES FOR ALL STUDENTS

- Enrollment may be withdrawn, and participation will not be allowed if all required visas are not obtained prior to arriving at the program launch city.
- An original yellow fever vaccination card or immunization record will be required for you to enter some program countries. Please reference the Safety, Security, and Health pre-departure document for information on how to check for vaccination requirements
- If you are planning to travel to other countries before or after the program or your transit route involves connections in other countries, check with the embassies of those countries before you leave the US regarding visas, documents, and/or immunizations required. Please contact your admissions counselor as soon as possible to discuss the feasibility of your plans.
