Flight, Passport & Visa Information

Spring 2027

GENERAL FLIGHT INFORMATION

This document is designed to assist you in making your travel arrangements. An essential part of your preparation for studying abroad includes obtaining the proper travel documentation for your international stay. Please read this document carefully to determine if you need to take immediate action in preparation for travel.

You are responsible for booking your own travel to the arrival city and from the departure city for your program. In addition, it is your responsibility to read and understand the terms and conditions for your airline ticket(s), to reconfirm your flight reservations in advance of the day of travel, and to be aware of airline and TSA regulations for baggage size and contents. SIT is not responsible for additional charges you may incur as a result of airline schedule changes or other travel-related reasons.

Once you have finalized your travel arrangements, please log into your application portal and enter your itinerary information and any notes about your arrival in the *Travel Information* section of your application. This will ensure that SIT staff knows when to expect you. Please submit your travel itinerary no later than 30 days prior to your program's start date. Please confirm submitting your travel details in writing with your Admissions Counselor. Your space on the program is not guaranteed if you neglect to enter your travel details into the application portal.

As you book your flights, we encourage you to purchase tickets on airlines with flexible cancellation and postponement policies.

AIRLINE INFORMATION

When booking your arrival flight to Tucson, you can select any airline of your choice. We recommend booking a return flight that connects directly to the US from Oaxaca such as an American Airlines flight typically offered to Dallas (DFW) to Oaxaca (OAX) or a United flight typically offered to Houston from Oaxaca. **Avoid flying Volaris in Mexico, this airline often cancels flights and charges extra fees at will.**

You can, of course, travel on any airline of your choice; however, please note that regardless of your transportation carrier, you are expected to be at your meeting location at the required time.

Please note: the group flight from Tucson to Oaxaca is included in your tuition fee and will be arranged by the program. Do not book your own flight from Tucson to Oaxaca.

If you are planning to travel to other countries before or after the program or your transit route involves connections in other countries, check with the embassies of those countries before you leave the US regarding visas, documents, and/or immunizations required. Please contact your admissions counselor as soon as possible to discuss the feasibility of your plans.

SIT recommends that students purchase their departing flight out of the host country before they travel at the start of the program. When you first arrive and pass through immigration and customs, *officials may request that you show proof that you have confirmed plans to depart their country at a designated time in the future.* If you believe that you will want to travel independently after your SIT Study Abroad program has concluded, we recommend that you estimate the approximate amount of extra time you will need and then book your flights accordingly.

PASSPORT INFORMATION

To participate in this program, you will need a signed **passport that is valid for at least six months after the end of the program**.

- If necessary, apply for a new passport or renewal immediately.

- **US Citizens:** consult US State Department information at http://travel.state.gov/passport/passport_1738.html for passport processing times and application procedures.
- **Non-US Citizens:** contact your embassy or consulate.

Students are responsible for their own passports. Please make a copy of the first two pages of your passport (one of which has your photo), and your visa (if applicable), and store in a separate location than your passport. Throughout the term, students should always keep a copy of their passport and visa on their person.

You may need to expedite your passport application in order to meet visa application deadlines. Please check with your admissions counselor at studyabroad@sit.edu or (888) 272-7881 to discuss whether you should expedite your application.

VISA INFORMATION

A visa is an official endorsement from a foreign government permitting entry into and travel within a particular country or region for a specified period of time. A visa may be glued or stamped directly into an applicant's passport or be on a separate paper or insert.

You are responsible for complying with all visa procedures and deadlines. Keep in mind that procedures and fees are subject to change at the discretion of the embassy or consulate with jurisdiction over your application. Students should double-check visa procedures. Issuance of visas is at the sole discretion of the applicable consulate or embassy; SIT assumes no responsibility for the issuance or denial of any visa.

Students with US passports:
For this program, students with US passports will obtain a tourist visa at the airport upon arrival in Mexico.

You will **not** need a student visa and should not request one because student visas are appropriate only for people formally enrolled in a Mexican university, which you are not. You may need to show a copy of your return flight to the U.S. so be sure to have this with you as you go through immigration. You will most likely receive a visa for 180 days, but please remind the customs' officer that you need to be in Mexico at least 3.5 months.

When asked the purpose of your visit when passing through Immigration, be sure to say that you will be participating in *"una excursión educativa con una escuela de Vermont (SIT) en los*

Estados Unidos." **Please avoid saying that you are a student, as that can cause confusion with Immigration officials.**

Students with non-US passports:
Students without a US passport may be subject to additional or different requirements for obtaining a visa or meeting other conditions of entry into the country or countries listed above. Many countries require individuals to apply for visas in person at the relevant embassy or consulate located in their country of citizenship. We strongly recommend that you contact the embassy of each country the program will be traveling to very early in the process to confirm visa and/or entry requirements applicable to your country of citizenship and determine next steps while allowing plenty of time to apply. It is your responsibility to confirm and complete the visa application process particular to your situation, and to keep your admissions counselor informed.
