To help us understand your objectives and plan an appropriate schedule for your visit, please respond to the following questions.

Which SIT Study Abroad program(s) would you like to visit?

On what date(s) would you like to visit, and for how long?

Please describe your objectives in visiting the program(s). Be as specific as possible considering thematic seminar, language classes, homestays, research or internship sites, etc.

Please describe your knowledge of & previous experience in this country/region (include language proficiency)

Will you be visiting other programs or participating in other activities during this trip? If so please briefly describe them, including dates if available.

Upon your return we request a report of your visit including how it went, whether it met your objectives, and any recommendations you may have. Please also consider how his visit contributed to your knowledge of SIT and ways you might share what you learned with colleagues and students.

To indicate your agreement please sign and return this form to Wanda Dutton at ProgramVisits@sit.edu.
