

CURRICULUM VITAE

Anne GOLAZ, MD, DrMed, MPH

PERSONAL DATA

Professional address Center for Education and Research in Humanitarian Action (CERAH)
University of Geneva and Graduate Institute of International and
Development Studies
PO Box 136,
CH-1211 Geneva 10, Switzerland
Telephone: 41 22 908 5823
e-mail: anne.golaz@unige.ch

Nationality Swiss

CURRENT POSITION

Since July 2012: Lecturer / Chargée d'enseignement, MAS/DAS/CAS in Humanitarian Action,
Center for Education and Research in Humanitarian Action (CERAH), Faculty
of Medicine, University of Geneva

From 2016: Lecturer, Master in Global Health, Global Studies Institute, University of
Geneva

EDUCATION

1995 Epidemic Intelligence Service (EIS) Diploma. Centers for Disease Control and Prevention,
Department of Health and Human Services, US government, Atlanta

1993 Master in Public Health (MPH), Epidemiology and Environmental Health, University of
Washington, Seattle. Swiss National Scientific Research Fund Award for Advanced Researcher
(1990-93)

1990 Doctorate in Medicine (DrMed), University of Geneva, Switzerland. “Apprentis peintres en
automobiles: les risques du métiers ». Received Gustave Humbert Award for my doctoral thesis.

1988 Epidemiology Certificate, New England Epidemiology Summer Program, Tufts University,
Boston, U.S.

1982 Medical Doctor (MD) Diploma, University of Geneva School of Medicine (1975-2002),
Switzerland, and University College Dublin (UCD) School of Medicine (Irish Government
scholarship for 1978-79)

1975 College Diploma, Collège Rousseau, Geneva – Maturité classique: Greek/Latin major

1973 High School Diploma, Guilderland High School, Schenectady, NY, U.S. – American Field
Service (AFS) exchange student, 1972-73

Language skills

French: mother tongue

English: proficiency level (conversational, reading, writing skills)

German, Russian: intermediate/beginner conversational and reading skills

Arabic: UN language course: intermediate/beginner level 2.

MEDICAL LICENSURE

2002 Specialty: US Public Health and General Preventive Medicine Board Certification, # 52042

2001 Medical license, state of Georgia, U.S., # 050571

2000 U.S. ECFMG (USMLE) Certificate # 0-589-582-6

1982 Physician Federal Diploma (MD), Switzerland

PROFESSIONAL ACTIVITIES

2013- **Senior consultant** for UN agencies: evaluations and research projects. Lead evaluator for WHO. Most recent evaluation 2015: ECHO grant for strengthening WHO surge capacity for L3 humanitarian emergencies, in 2013 and 2014.

2012- **Lecturer/researcher**, University of Geneva and Graduate Institute of International and Development studies Centre for Education and Research in Humanitarian Action (CERAH):

- Coordinator of the CAS Health in Humanitarian Emergencies
- Coordinator of the course Health in Humanitarian crises (one week during MAS/DAS course work)
- Coordinator of the Research Methodology course (Master and Diploma of Advanced Studies – MAS/DAS) – 2012-2014
- Coordinator of the Thematic Seminar Advocacy for Humanitarian Projects in Health (2013)

2007-12 **Senior Health Advisor, Humanitarian Emergencies, UNICEF/HQ**, Health Section, UNICEF Office, Geneva, Switzerland

- Represented UNICEF in policy and technical meetings, and in humanitarian fora such as the Global Health Cluster
- Provided policy/technical field support for humanitarian crises

2006 **Regional Adviser, Polio and Vaccine Preventable Disease Surveillance**, WHO Regional Office for South-East Asia (SEARO), New Delhi, India

2005 **Medical Officer, Measles/Mumps/Rubella focal point**, WHO Regional Office for the Eastern Mediterranean Region (EMRO), Cairo, Egypt

2002-05 **Regional Adviser for Immunization**, UNICEF Regional Office for South Asia (ROSA), Kathmandu, Nepal

- 2000-01 **Medical Epidemiologist, Centers for Disease Control and Prevention (CDC)**, Global Immunization Division, National Immunization Program, Atlanta
- 1996-99 **Medical Epidemiologist, CDC**, Epidemiology and Surveillance Division, National Immunization Program, CDC, Atlanta
- 1994-96 **Preventive Medicine Resident, CDC**, Preventive Medicine Residency (PMR) Program: Atlanta (1994-95), and Indian Health Service, Albuquerque, New Mexico (1995-96)
- 1993-95 **Epidemiologic Intelligence Service (EIS) Officer**, CDC, Division of Nutrition, Maternal and Child Health Branch, Atlanta
- 1990-93 **Medical Fellow**, University of Washington and Harborview Hospital, Internal/Occupational Medicine Department, Seattle, USA
- 1986-90 **Teaching Fellow**, University of Geneva, Institute of Social and Preventive Medicine, Switzerland
- 1982-86 **Medical intern and resident**, University Hospital Geneva, and Nyon Hospital, Switzerland. Primary Care Medicine, Surgery, Internal Medicine/ Immuno-allergic Diseases, Psychiatry

HONORS / AWARDS / SCHOLARSHIPS

Personal awards

- 1995 Centers for Disease Control and Prevention (CDC) Honor Award for professional dedication and excellence in helping to improve the nutritional well-being of people in developing countries
- 1995 CDC/NCCDPHP Certificate of Appreciation for outstanding performance in international health
- 1995 CDC Schnitke Award Nominee for excellence in international health
- 1993 Certificate of Appreciation presented by the Missouri Department of Health in recognition of valuable service to the citizens of the State of Missouri during the flood of 1993
- 1992 University of Geneva Faculty of Medicine, Prix Gustave Humbert (Gustave Humbert Award), for my doctoral thesis
- 1990 Swiss Federal Office for Public Health. Swiss National Scientific Research Fund Award for Advanced Researcher for post-graduate studies in the U.S., 1990-1993
- 1978 Irish Government Scholarship for a one-year study in Ireland, 4th year of Medical School, University College Dublin - UCD, 1978-79

Group awards

- 2007 US CDC James H. Nakano Citation for an outstanding paper published in 2006 “ Economic Evaluation of Measles Catch-up and Follow-Up Campaigns in Afghanistan in 2002 and 2003”,

published in Disasters, co-author

- 2002 US Department of Health and Human Service (DHHS) Secretary's Award for Distinguished Service for exemplary teamwork, productivity, organization, and scientific excellence demonstrated during the public health emergency response to the World Trade Center, Pentagon terrorist attacks and the anthrax investigation
- 2002 WHO certificate of appreciation for contribution to the success of poliomyelitis eradication efforts in the European Region and for outstanding efforts resulting in the certification of the European Region as polio-free on 21 June 2002
- 2000 US DHHS Secretary's Award for Distinguished Service Team for safeguarding the health of U.S. infants by rapidly assessing and responding to reports of a potentially life-threatening form of bowel obstruction (intussusception) among infants receiving a newly licensed rotavirus vaccine
- 1998 US DHHS Secretary's Award for Distinguished Service, National Immunization Program Honor Award, for achieving the Childhood Immunization Initiative 1996 vaccine coverage goals and the highest immunization levels ever recorded in the U.S.
- 1995 Public Health Service Special Recognition Award to the Rwandan Refugee Assistance Group and Centers for Disease Control and Prevention Group Honor Award for extraordinary contributions to the public health of civilians affected by the civil war in Rwanda

TEACHING / TRAINING EXPERIENCE

Post-graduate teaching

- 2011-15 Lecturer, University of Geneva Center for Education and Research in Humanitarian Action (CERAH), Master/Diploma/Certificate in Humanitarian Action
- 1998-15 Lecturer, International Diploma in Humanitarian Assistance (IDHA), Royal College of Surgeons of Ireland and Fordham University, New York
- 2014-15 Lecturer, University Catholic of Louvain, Center for Research on the Epidemiology of Disasters (CRED): Assessing Public Health in Emergency Situations (APHES) course
- 2014-15 Lecturer, University of Geneva Summer Schools "Global Health and Human Rights", and "Humanitarian Action"
- 2008-11 Lecturer, Health Emergencies in Large Populations (HELP), ICRC Geneva.
- 2002, 2013 Lecturer, Certificat de Santé Primaire (Primary Health Care Certificate), University of Geneva
- 1998 Instructor, International Capacity Development Program, International and Refugee Health Program, Centers for Disease Control and Prevention, Atlanta, U.S.
- 1997-98 Lecturer, Health and Nutrition in Complex Emergencies course, Rollins School of Public Health, Emory University, Atlanta

- 1997 Faculty, US Multiforces Humanitarian Training, San Diego, California, Center of Excellence in Disaster Management and Humanitarian Assistance, Hawaii, U.S.
- 1995-96 Teaching fellow, Masters in Public Health Program, Division of Community Medicine, University of New Mexico, Albuquerque, U.S.
- 1995 Lecturer and instructor at the International Course in Applied Epidemiology, EPITER (Association pour le Développement de l'Epidémiologie de Terrain)/Fondation Mérieux, Annecy, France
- 1995 Instructor at the Centers for Disease Control and Prevention, EIS epidemiology summer course, Atlanta, U.S.
- 1986-90 Health educator in occupational settings in Geneva

Undergraduate teaching

- 2012 -15 Lecturer, optional course on humanitarian medicine for 3rd year medical students, HUG/University of Geneva
- 1988-90 Lecturer and coordinator of the preventive medicine course, School of Pharmacy, University of Geneva
- 1986-90 Teaching fellow, University of Geneva, Faculty of Medicine: taught preventive medicine (epidemiology, nutrition, occupational medicine, and environmental health) to 5th year medical students

BOARD / COMMITTEE / ASSOCIATION MEMBERSHIP

Switzerland

Scientific Committees of the Certificate of Advanced Studies (CAS) Health in Humanitarian Emergencies and CAS Disaster Risk Management (2012-2013), CERAH, University of Geneva and Graduate Institute

Commission des affaires humanitaires et internationales, Faculty of Medicine, University de Geneva

Scientific Committee, Geneva Health Forum, University of Geneva and Hôpitaux Universitaires de Genève (HUG), 2012 and 2014

President, Comité de Secteur Petite Enfance des Charmilles, City of Geneva, Switzerland

Association pour la Promotion des Droits Humains (ADPH), Geneva, Switzerland

The Swiss Society for Public Health

European Union

Advisory Board, Erasmus Mundi Master Course in Public Health in Disasters (EMMPHID), a joint university educational programme organized by the Universidad de Oviedo (Spain), Karolinska Institute (Sweden), and Université Catholique de Louvain (UCL, Belgium)

Ethical Advisory Board, CAERUS project, Université Catholique de Louvain/ Center for the Epidemiology of Disasters, European Commission funded – Evidence-based policy for post-crisis stabilization
