

Part I of the SIT Health Form must be submitted within **TWO WEEKS** of your offer of admission. Part I is to be completed online by logging in to your Applicant portal-under 'Confirmation Materials.' Part II of the health form must be completed by the confirmation materials due date. If this is not possible, then please let us know the date of your doctor's appointment date for the completion of Part II. **Your completed health form must be received no later than November 30** for Spring semester, **June 15** for Fall semester, or **April 10** for Summer programs. Please upload the health form to your Applicant portal, scan to studenthealth@sit.edu, fax to 802 258-3509, or mail to: SIT Study Abroad, Student Health Office, PO Box 676, Kipling Road, Brattleboro, VT 05302-0676 USA

The guidelines below will assist you in completing your health form. Please be advised that leaving anything blank on your health form will delay your health clearance. Your health form will not be reviewed until all completed parts are received. Complete name and program at the top of all pages. Only SIT Study Abroad health forms will be accepted.

Please be sure to make a copy of the completed health form for your records.

PART I - Authorization and Personal Health History (pages 1-2)

- To be filled out by the student. Answer all questions in this section and submit with the rest of your confirmation materials.
- Please keep a copy of Part I for yourself and take it to the physician or medical professional who completes Part II.

PART II - Health Report and Examination (page 3)

- The completion of Part II must be based upon a physical examination conducted within 12 months of your program's start date. When making your appointment, be sure to inform your health care professional that you will also need the following test done on the same day:
 - ▶ An HIV test, only if you are participating in SIT Study Abroad/IHP programs to Bolivia or Mongolia (required as a part of these countries' visa processes and therefore cannot be anonymous). Entry requirements for a country may change frequently. Please consult your admissions counselor for further information.
- Part II is to be completed and signed by your physician, or health professional (nurse practitioner or physician's assistant).
- Immunization history is to be recorded in Part II or a copy of your immunization record may be attached. These records usually can be obtained from your physician's office, high school, university health center, or parents.

Please note: We do not accept reports completed by a physician who is related to you.

PART III A - Further Health Information for Overseas Travel: Medical (pages 4-5)

If you answered "yes" to any questions indicating a history of medical treatment under "Review of Illnesses and Symptoms" in Part I, please have your medical professional complete Part III A of this form.

PART III B - Further Health Information for Overseas Travel: Counseling and Mental Health (pages 6-7)

If you answered "yes" to any questions indicating a history of therapeutic treatment under "Review of Illnesses and Symptoms" in Part I, please have your mental health professional complete Part III B of this form.

CHANGE OF STATUS: You are responsible for notifying SIT immediately of any changes in your health history prior to your departure or while on the program.

Authorization to Release Health Records and Permission for Emergency Medical Treatment

Please complete and sign the following.

As an applicant to an SIT Study Abroad program, I, _____ hereby authorize the physician or other medical provider completing Part II and/or Part III of this Health Form, together with any other physician or medical provider who has provided information to SIT Study Abroad in connection with my application or participation in the Program, to release any or all health records or information pertaining to me to SIT Study Abroad. I also authorize the release by SIT Study Abroad of my health records or other medical information pertaining to me to my parent or other designated contact person in the event of an emergency.

On rare occasions, an emergency requiring treatment in a hospital and/or surgery may develop. In most cases, administration of an anesthetic, treatment of an injury, or operation upon an individual cannot be done without consent of the patient. In order to prevent a dangerous delay in an emergency situation where SIT Study Abroad is either unable to contact my parent or guardian, or if I am unconscious or otherwise unable to give you my consent, I hereby authorize SIT Study Abroad's representative to secure whatever medical treatment is deemed necessary, including administration of an anesthetic and surgery.

I hereby verify that all of the information contained in this form is accurate and complete and acknowledge that any failure to provide accurate and complete information, including notification to SIT Study Abroad of changes in my health affecting the accuracy or completeness of the information contained in this form, may result in my dismissal from the program. I agree to notify SIT Study Abroad of any material changes in my health that occur prior to the start of the program or while on the program.

To the Examining Physician: SIT Study Abroad offers programs in all parts of the world, including remote areas of Africa, Asia, and Latin America. The type of program can vary—some include physically demanding components. All students will be fully active in the culture. Many will live with a family for a protracted period of time in varying conditions of sanitation and proximity to Western-style health facilities and psychological services. For these reasons you are asked to carefully consider the applicant's general fitness and physical and mental health in relation to the country, the type of program, and the conditions in which the applicant will be living. **Part III of the Health Form is to be used for further health information** and is to be completed by a physician or treating professional. This information is strictly for the use of SIT Study Abroad and will not be released without the applicant's consent.

Please fax immediately to 802-258-3509 or mail to:

To the Appropriate Medical Professional:

Studying abroad can be an enriching experience as well as a physically and mentally challenging one. Mild or pre-existing health conditions can become serious for some students as they transition into an unfamiliar culture and environment. For this reason, we encourage all students to fully disclose their health history so that we can prepare them properly for their experience, make arrangements for any special accommodations if necessary, and in some cases, assess whether there may be any health reasons that an applicant should consider another program.

In order to ensure the applicant's well being, we expect full disclosure of any health history that could be potentially problematic for a student overseas. Please give as much detail as possible in answering the following questions.

Please fax immediately to 802-258-3509 or mail to:

SIT Study Abroad, Student Health Office, PO Box 676, Kipling Road, Brattleboro, Vermont 05302 USA

Please include appropriate relevant medical records and any information necessary for medical personnel overseas who might be treating this student.

1. Describe, in as much detail as possible, the relevant health condition. (For allergies, please indicate what this applicant is allergic to, how he or she reacts to it, and any medications that should be used by the applicant overseas.)
2. When did the applicant experience this condition, how did it occur, and when was the applicant diagnosed? (Give specific dates.)
3. How was this condition treated and for how long? (Give specific dates, medications, etc.)
