

Contingency Plan for Continued Instruction for COVID-19 Displaced Students

PROGRAM INFORMATION

Program:

Region:

AD/PD:

Academic Dean:

PLANS FOR CONTINUED INSTRUCTION

Please provide a detailed overview of how you will transition to an online learning environment for each course. Use as much space as you need for your description. Note that plans may vary based on the type of course and local contexts.

Thematic Seminar(s):

Language Course:

RME/FME:

ISP:

Internship:

IHP:

In the following, please tell us about your plan implementation needs. We are here to help!

INSTRUCTIONAL DESIGN

- Moodle Course Shell (Instructional Designer creates a blank course with the course components but no content; AD/PD will populate the course)

- Moodle Course Full Build-out (Instructional Designer creates the course and populates it with content provided by the AD/PD)

TECHNOLOGY

What do you have and what do you need?

- Hardware:
- Software:
- Applications:
- Connectivity:

TRAINING

- Technology: Moodle Basics (navigation, customization, forums)

- Technology: WebEx Basics (scheduling, recording, accessing, and uploading sessions)

- Pedagogy: Online Teaching & Learning Basics (instructor presence, instructor feedback, best practices)

ADDITIONAL SUPPORT

Additional support you'd like to request to implement your plan?

- Technology: Mentoring

- Pedagogy: Mentoring
