

## Nepal: Tibetan and Himalayan Peoples

### Instructions for uploading Student ID Copy

The staff in Nepal require a copy of your student ID card in order to book transportation for the excursions throughout the semester.

Upload a scanned color copy of your home university/college student ID card. Please use a scanner and not the camera on your phone. Nothing should be cut off or obscuring any part of the ID and there should be a clear border around it. Your fingers should not be visible in the scan.

See example below.
