

VISA PROCESS ACKNOWLEDGMENT FORM

Indonesia

Please return this form acknowledging your understanding of the following information. **SIT will send you a visa application with instructions via email in June/July for Fall programs, December/early January for Spring programs, and May for Summer programs.** You are solely responsible for submitting all necessary pre-visa materials to SIT in a timely fashion in order to start the visa process. Failure to do so will delay the visa process not just for you, but for the entire group.

READ EACH POINT CAREFULLY AND CHECK ALL BOXES BELOW.

I understand that:

- I am responsible for sending pre-visa materials to SIT within the amount of time specified by my Admissions Counselor. Failure to do so could result in my removal from the program,
- Inability to obtain a visa will result in my administrative withdrawal from the program.
- Participating in international travel during the 3 months prior to the start of the program has the potential to prevent me from obtaining my visa. Before planning any pre-program travel, I must consult with my Admissions Counselor to ensure that this is possible. If it interferes with the visa process, I must change my travel plans, or plan to return to the US at the appropriate time in order to be issued a visa.
- My visa cannot be obtained in any other country.
- The Indonesian consulates may change visa requirements and fees at any time. Before beginning the visa application process, I must verify the most current requirements and fees through the consulate's website.
- Issuance of visas is at the sole discretion of the Indonesian consulate. SIT assumes no responsibility for the application process or if the participant's visa is denied.
- I understand that SIT has no affiliation with the Consulate of Indonesia.
- I have read and understand the pre-visa instructions, and I will submit my materials to SIT by the deadlines communicated to me by my Admissions Counselor.
- Students without a US passport may be subject to additional or different requirements for obtaining a visa or meeting other conditions of entry into the country or countries listed above. Many countries require individuals to apply for visas in person at the relevant embassy or consulate located in their country of citizenship. We strongly recommend that you contact the embassy of each country the program will be traveling to very early in the process to confirmation visa and/or entry requirements applicable to your country of citizenship and determine next steps while allowing plenty of time to apply.

If you have any questions, please do not hesitate to call your Admissions Counselor at: 1-888-272-7881.

Please upload this form to your application portal or email to studyabroad@sit.edu
