GENERAL FLIGHT INFORMATION

This document is designed to assist you in making your travel arrangements. An essential part of your preparation for studying abroad includes obtaining the proper travel documentation for your international stay. Please read this document carefully to determine if you need to take action *immediately* in preparation for travel.

You are responsible for booking your own travel to and from the program location. In addition, it is your responsibility to read and understand the terms and conditions for your airline ticket(s), to reconfirm your flight reservations in advance of the day of travel, and to be aware of airline and TSA regulations for baggage size and contents. SIT is not responsible for additional charges you may incur because of airline schedule changes or other travel-related reasons.

As you book your flights, we encourage you to purchase tickets on airlines with flexible cancellation and postponement policies.

Individual countries may have specific entry requirements related to Covid-19 (e.g. providing proof of vaccine, providing a negative Covid-19 test prior to travel, testing and/or quarantining upon arrival, etc.). SIT will provide updated Covid-19 information prior to your travel. Please read the program's Health Guidelines for recommendations related to preventing the contraction and spread of Covid-19.

Once you have finalized your travel arrangements, please log into your application portal and enter your itinerary information and any notes about your arrival in the *Travel Information* section of your application. This will ensure that SIT staff knows when to expect you. Please submit your travel itinerary no later than 30 days prior to your program's start date.

We have been advised that both Icelandair and Delta provide direct service (from the US) to Keflavik International Airport (KEF), which is the meeting location for this program.

PASSPORT INFORMATION

To participate in this program, you will need a signed **passport that is valid for at least six months after the end of the program.**

- If necessary, apply for a new passport or renewal immediately.
- **US Citizens:** consult U.S. State Department information at http://travel.state.gov/passport/passport_1738.html for passport processing times and application procedures.
- **Non-US Citizens:** contact your embassy or consulate for your requirements.

You may need to expedite your passport application in order to meet visa application deadlines. Please check with your admissions counselor at studyabroad@sit.edu or (888) 272-7881 to discuss whether you should expedite your application.

VISA INFORMATION

A visa is an official endorsement from a foreign government permitting entry into and travel within a particular country or region for a specified period of time. A visa may be glued or stamped directly into an applicant's passport or be on a separate paper or insert.

Students with US passports:

For this program, students with US passports will be getting a 90-day tourist visa upon arrival and are considered essential travel as students. SIT will provide a letter from our partner university in Iceland to carry with you and students will be required to fill out a form declaring you are a student.

COVID-19 entry protocol is subject to change. SIT will review all requirements and provide further details closer to your program start date as protocols are updated frequently. General information can be found here:

<https://www.covid.is/english>

Students with non-US passports:

Students without a US passport may be subject to additional or different requirements for obtaining a visa or meeting other conditions of entry into the country listed above. Many countries require individuals to apply for visas in person at the relevant embassy or consulate located in their country of citizenship. We strongly recommend that you contact the embassy of each country the program will be traveling to very early in the process to confirm visa and/or entry requirements applicable to your country of citizenship and determine next steps while allowing plenty of time to apply. If the foreign consulate permits non-US passport holders to apply for the required visa from within the United States, applicants are encouraged to contact Trivisa Visa Services. As an experienced visa agent working closely with a number of SIT programs, Trivisa may be able to assist you in your visa application process. A service discount is available by entering "SIT" as the corporate code in your Trivisa online application. It is your responsibility to confirm and complete the visa application process particular to your situation, and to keep your admissions counselor informed.

GENERAL VISA AND PASSPORT NOTES FOR ALL PARTICIPANTS

- You are responsible for complying with all visa procedures and deadlines.
- Keep in mind that procedures and fees are subject to change at the discretion of the embassy or consulate with jurisdiction over your application. Students should double-check visa procedures prior to sending materials to ensure accuracy.
