GENERAL FLIGHT INFORMATION

This document is designed to assist you in making your travel arrangements. An essential part of your preparation for studying abroad includes obtaining the proper travel documentation for your international stay. Please read this document carefully to determine if you need to take action immediately in preparation for travel.

You are responsible for booking your own travel to and from the program location. In addition, it is your responsibility to read and understand the terms and conditions for your airline ticket(s), to reconfirm your flight reservations in advance of the day of travel, and to be aware of airline and TSA regulations for baggage size and contents. SIT is not responsible for additional charges you may incur as a result of airline schedule changes or other travel-related reasons.

Once you have finalized your travel arrangements, please log into your application portal and enter your itinerary information and any notes about your arrival in the Travel Information section of your application. This will ensure that SIT staff knows when to expect you. Please submit your travel itinerary no later than 30 days prior to your program’s start date.

Individual countries may have specific entry requirements related to COVID-19 (e.g., providing proof of vaccine, providing a negative COVID-19 test prior to travel or testing and/or quarantining upon arrival, etc.). Please stay up to date on airline and country specific regulations and refer to CDC guidelines related to preventing the contraction and spread of COVID-19.

As you book your flights, we encourage you to purchase tickets on airlines with flexible cancellation and postponement policies.

AIRLINE INFORMATION

The following airlines usually provide service to the meeting location for this program: American Airlines, Aerolineas Argentinas, Delta, and United Airlines.

You can, of course, travel on any airline of your choice; however, please note that regardless of your transportation carrier, you are expected to be at your meeting location at the required time.

SIT recommends that students purchase a round-trip itinerary into and out of the host country. When you first arrive and pass through customs and immigration, officials may request that you show proof that you have confirmed plans to depart their country at a designated time in the future. In addition, booking a round-trip ticket will likely be more affordable than purchasing two separate one-way itineraries. Even if you later decide to change your return flight, the fees for making that change will oftentimes still amount to less than the overall price of two separate tickets. If you believe that you will want to travel independently after your SIT Study Abroad program has concluded, we recommend that you estimate the approximate amount of extra time you will need and then book your flights accordingly.
ARRIVAL INFORMATION
You are expected to meet your group at the following date, time, and location:

In-country Arrival Date: Tuesday, September 3, 2024
Arrival Airport: Malvinas Argentinas Ushuaia International Airport (USH)
Group Meeting Time: 3:00 pm
Group Meeting Location: Outside the arrival exit
Group Will Be Met By: Program Staff
Notes: You will likely have a layover in Buenos Aires and there are two airports servicing Buenos Aires. International flights will come into Ezeiza International Airport (EZE). At the time of posting this information there are two flights per day from EZE to USH.

If your connecting flight is through Aeroparque (AEP) you will be required to transfer airports. There is a transfer service within the EZE airport every 30-45 minutes and it takes approximately 1 hour and 20 minutes from one airport to the other (ask for Manuel Tienda Leon, the name of the bus company). You should plan to have a layover of at least 5 hours as it can take longer than expected depending on traffic and you will need sufficient time to check-in. It will cost about $10 for this transfer.

Regardless of what airport you arrive in and then take off to Ushuaia as your first point of entry into Argentina, you will need to retrieve your luggage and go through immigration and check-in your luggage again for the flight to Ushuaia.

Please note that in Argentina, the migration stamp is electronic. You will not receive any ink stamp in your passport.

DEPARTURE INFORMATION
You are expected to plan your departure for the following date, time, and location:

Program Departure Date: Monday, December 16, 2024
Departure Airport: Malvinas Argentinas Ushuaia International Airport (USH)
Earliest Departure Time: Anytime

NOTE: If you are unable to find suitable travel arrangements which will allow you to arrive at the specified date and time, please contact your admissions counselor as soon as possible—BEFORE you make any reservations.

Arrival prior to the start of the program is NOT possible. No SIT Study Abroad staff will be able to assist you with any matter should you arrive before the program’s commencement due to personal travel or for any other reason. Please note that medical insurance, provided to you through SIT Study Abroad for the duration of your program, is not in effect either before the program start date or after the program end date.

It IS possible to remain in-country after the program ends. Please note that the program is no longer responsible for you after the end of the scheduled program.

Your visa will be renewed about one month before the end of the program, so this will allow you to stay up to three to four weeks after the program departure date.
PASSPORT INFORMATION
To participate in this program, you will need a signed **passport that is valid for at least six months after the end of the program**.

- If necessary, apply for a new passport or renewal immediately.
- **Non-US Citizens**: contact your embassy or consulate.

You may need to expedite your passport application in order to meet visa application deadlines. Please check with your admissions counselor at studyabroad@sit.edu or (888) 272-7881 to discuss whether you should expedite your application.

VISA INFORMATION
A visa is an official endorsement from a foreign government permitting entry into and travel within a particular country or region for a specified period of time. A visa may be glued or stamped directly into an applicant’s passport or be on a separate paper or insert.

**Students with US passports:**
For this program, students with US passports will not need a visa.

As you go through immigration, they will electronically register your entrance and stamp your passport with a Tourist Entrance Permission. Although unlikely, in some cases you may be issued a paper Tourist Entrance Permission, called a Tourist Card. If you receive a paper Tourist Card, do not throw it away. **Do not** request a student visa as ‘student visas’ are issued to those people who are enrolled in an Argentine university – this is not the case for SIT participants. In our programs where the legal option is for students to enter on a Tourist Entrance Permission, it is common for the permission’s duration to be less than the full program term. In those cases, it is possible to extend it either in-country through the office of immigration or while crossing an international border as part of a regularly scheduled program excursion. If someone asks the purpose of your visit, you are here on an educational excursion (excursión educativa).

Your admissions counselor will send you an airport letter to print and bring with you when you check-in to help answer any questions the airline may have regarding the length of time you will be in Argentina.

**Students with non-US passports:**
Students without a US passport may be subject to additional or different requirements for obtaining a visa or meeting other conditions of entry into the country or countries listed above. Many countries require individuals to apply for visas in person at the relevant embassy or consulate located in their country of citizenship. We strongly recommend that you contact the embassy of each country the program will be traveling to very early in the process to confirm visa and/or entry requirements applicable to your country of citizenship and determine next steps while allowing plenty of time to apply. If the foreign consulate permits non-US passport holders to apply for the required visa from within the United States, applicants are encouraged to contact Travisa Visa Services. As an experienced visa agent working closely with a number of SIT programs, Travisa may be able to assist you in your visa application process. A service discount is available by entering “SIT” as the corporate code in your Travisa online application. It is your responsibility to confirm and complete the visa application process particular to your situation, and to keep your admissions counselor informed.
GENERAL VISA AND PASSPORT NOTES FOR ALL PARTICIPANTS

- You are responsible for complying with all visa procedures and deadlines.
- Keep in mind that procedures and fees are subject to change at the discretion of the embassy or consulate with jurisdiction over your application. Students should double-check visa procedures prior to sending materials to ensure accuracy.
- Issuance of visas is at the sole discretion of the applicable consulate or embassy; SIT assumes no responsibility for the issuance or denial of any visa.
- Please make a copy of the first two pages of your passport (one of which has your photo), and give these photocopies to your academic director once you arrive.
- You may also need to bring your vaccination card or a copy of your immunization record; please see the Safety, Security and Health pre-departure document for more details.
- Students are responsible for their own passports. The program may hold passports for students when at the program site and when on excursion. Students should have passports on their person during ISP. Throughout the term, students should keep a copy of their passport and visa on their person at all times. This is highly recommended to have, because your passport number are going to be asked several times (banks, hotel registration, migrations, etc.)
- If you are planning to travel to other countries before or after the program or your transit route involves connections in other countries, check with the embassies of those countries before you leave the US regarding visas, documents, and/or immunizations required. Please contact your admissions counselor as soon as possible to discuss the feasibility of your plans.
